

I have this cool new cart, now what?

The map inside will tell you what day of the week your trash will be picked up. Push carts must be at the curb **not earlier than 7pm the night before and removed promptly back to the residence by 7pm the day after pickup.**

The first time your cart is emptied, Waste Industries will leave it where they would like you to leave it at the curb.

Carts are serialized. On delivery, they will be assigned to your residence by the number stamped on the cart.

PLEASE WRITE DOWN THE NUMBER ON YOUR CART!

You are financially responsible if broken by your actions. Each cart costs \$84.75 to replace.

Waste Industries will **NOT** pick up trash in containers other than the new blue cart. An additional cart can be ordered and delivered for your use at an additional \$18.75 per month charge.

If Waste Industries cannot pick up something you left as trash, they will leave a tag on it, and a copy of that tag is kept on file. The tag will explain proper disposal of the item.

If you have excess trash, you can purchase trash stickers and take it to the convenience centers. The City will maintain a supply of trash stickers for sale at Customer Service and **will NOT buy back unused stickers.**

SPECIAL WASTE:

The city of Havelock picks up waste generated by residential lawn and garden maintenance.

Limbs from ordinary pruning, not larger than 48 inches long and 5 inches in diameter will be collected.

Do not pile yard waste in the drainage ditch or where it can be blown or pushed into the ditch.

Please take the following items to Craven County Convenience Centers on NC Hwy 101.

Construction material or debris, whole trees, logs, dirt or sod, tree root systems.

Tires are accepted at the transfer station at Newport and the Tuscarora Landfill. Rims must be removed.

Recycling pickup citywide is on Fridays.

What to do with your HAZARDOUS WASTE

The following items are considered hazardous waste and will not be picked up:

Batteries, oil filters/oil, pallets, and paint cans are accepted at Craven County Convenience Centers.

Propane tanks can be returned to those establishments that refill such containers.

For More Information, log on to www.HavelockNC.US

City of Havelock Solid Waste Services

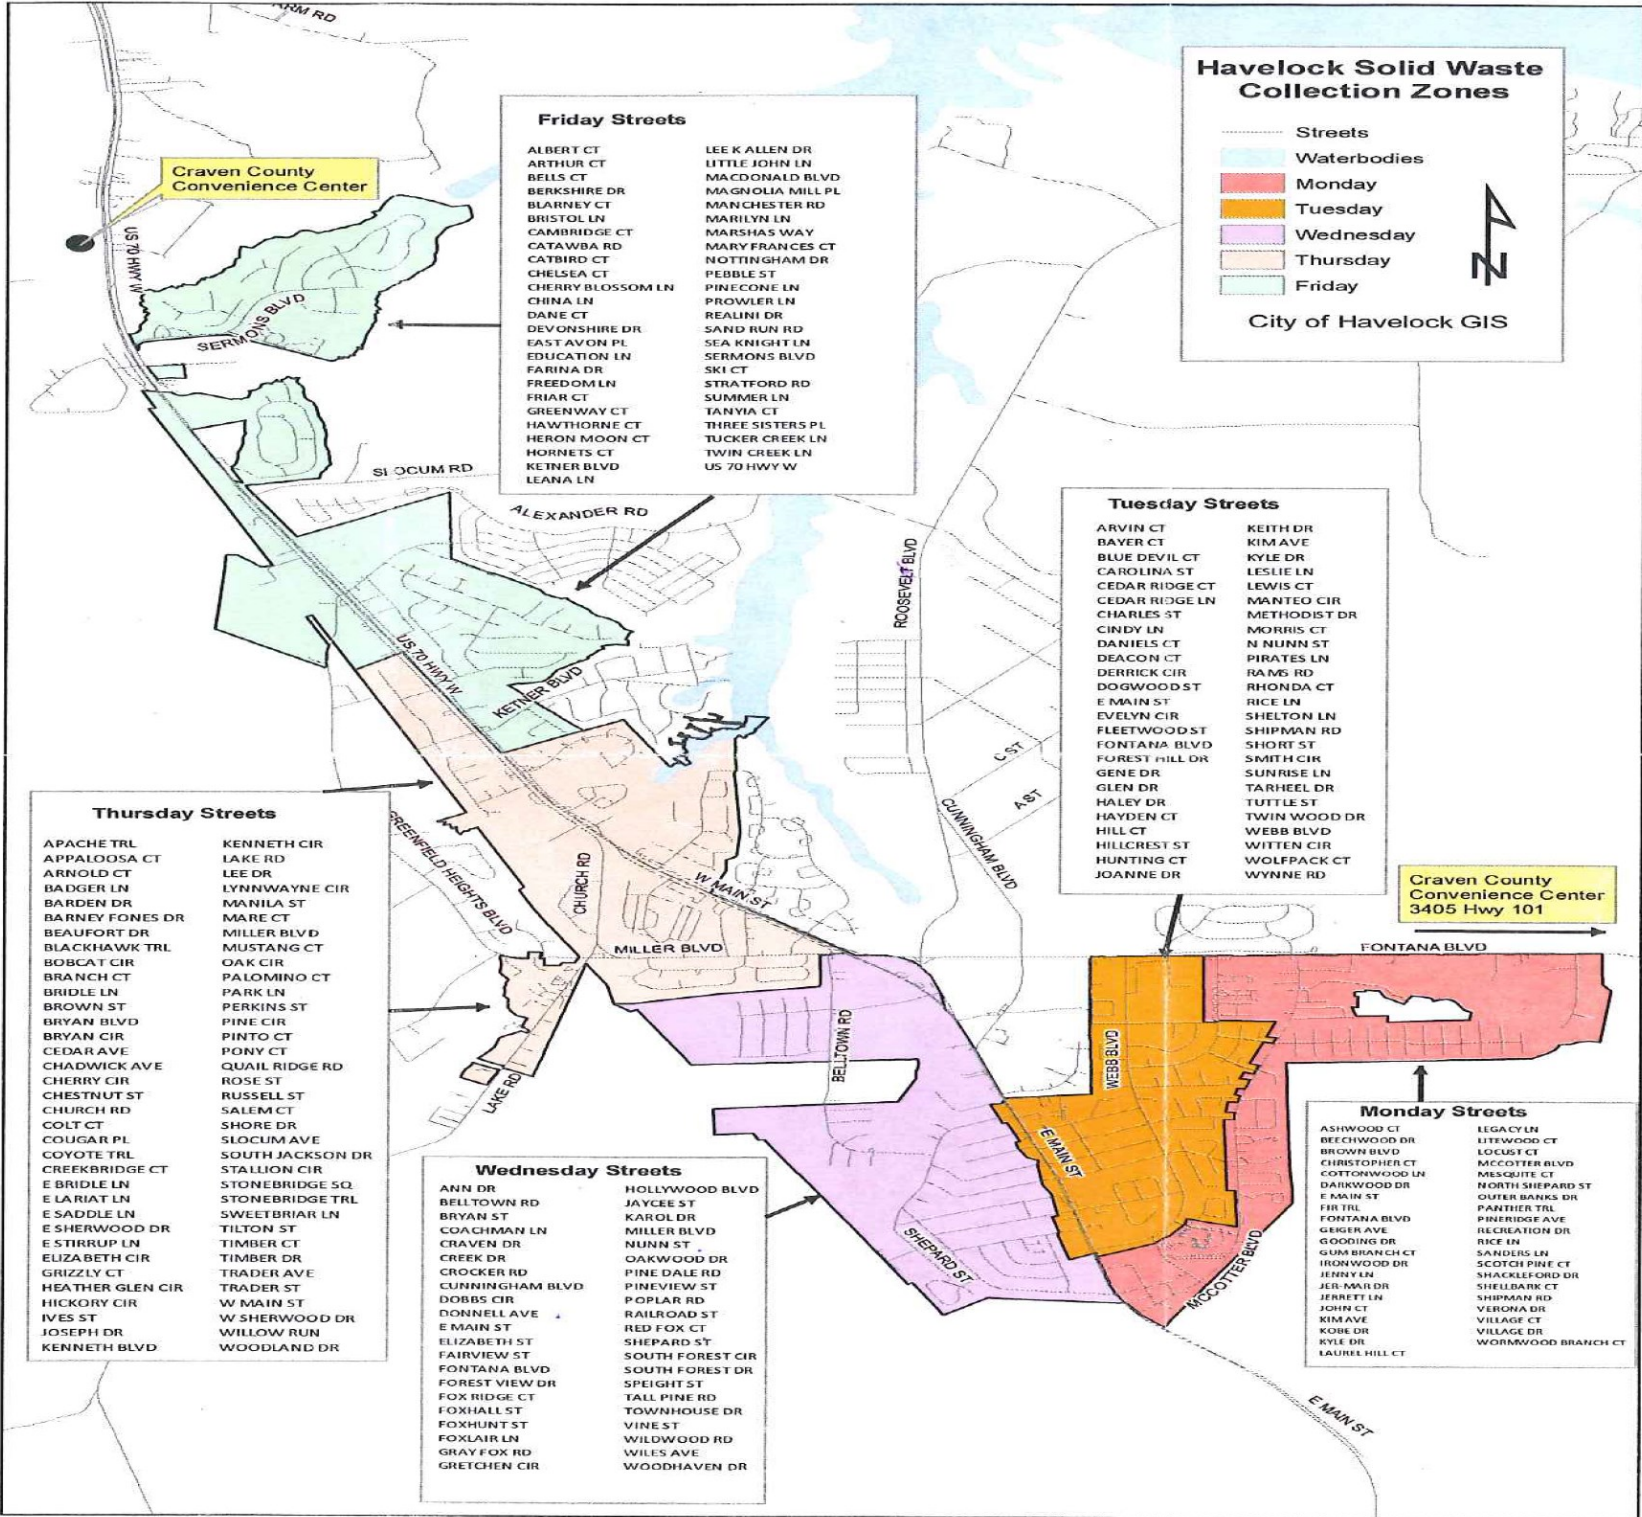

All City residents who currently are water and/or sewer customers will have solid waste service from Waste Industries. A \$18.75 monthly charge will be added to your water/sewer bill.

This brochure will answer your questions about the system.
